Cell−type proportion by group: analysis_celltype
S3 proximal tubule cell
Descending and ascending thin limb cell
Macrophage
Podocyte
Endothelial cell
Macula densa thick ascending limb cell
Proximal tubule cell
Thick ascending limb cell
Transitional intercalated cell
Intercalated cell
Distal convoluted tubule type 2 cell
Glomerular endothelial cell
Connecting tubular cell
Epithelial cell
Parietal epithelial cell
Collecting duct principal cell
Stromal cell
