Cell−type proportion by group: analysis_celltype
Thick ascending limb cell
Macrophage
Alpha intercalated cell
Distal convoluted tubule type 2 cell
Dendritic cell
Collecting duct principal cell
Immune cell
Red blood cell
S3 proximal tubule cell
Distal tubule cell
Beta intercalated cell
Endothelial cell
Proliferating tubule cell
Ureteric bud tip cell
Descending and ascending thin limb cell
Parietal epithelial cell
Podocyte
Intercalated cell
Stromal cell
