Cell−type proportion by group: analysis_celltype
Transitional intercalated cell
Distal convoluted tubule type 2 cell
S3 proximal tubule cell
Immune cell
Red blood cell
Proximal tubule cell
Distal tubule cell
Glomerular endothelial cell
Podocyte
Connecting tubular cell
Endothelial cell
Injured distal tubule cell
Collecting duct principal cell
Distal convoluted tubule cell
Macrophage
Descending and ascending thin limb cell
Stromal cell
