E16_Tg_1
Cell type
Stromal cell
Collecting duct principal cell
Parietal epithelial cell
Epithelial cell
Connecting tubular cell
Glomerular endothelial cell
Distal convoluted tubule type 2 cell
Intercalated cell
Transitional intercalated cell
Thick ascending limb cell
Proximal tubule cell
Macula densa thick ascending limb cell
Endothelial cell
Podocyte
Macrophage
Descending and ascending thin limb cell
S3 proximal tubule cell
