E16_Tg_3
Cell type
Stromal cell
Intercalated cell
Erythrocyte
Endothelial cell
Connecting tubular cell
Parietal epithelial cell
Ureteric bud tip cell
Distal convoluted tubule type 2 cell
Macula densa thick ascending limb cell
Collecting duct principal cell
Proximal tubule cell
Podocyte
Epithelial cell
Macrophage
Thick ascending limb cell
Basophil
Transitional intercalated cell
Renin cell
