Cell−type proportion by group: analysis_celltype
Renin cell
Transitional intercalated cell
Basophil
Thick ascending limb cell
Macrophage
Epithelial cell
Podocyte
Proximal tubule cell
Collecting duct principal cell
Macula densa thick ascending limb cell
Distal convoluted tubule type 2 cell
Ureteric bud tip cell
Parietal epithelial cell
Connecting tubular cell
Endothelial cell
Erythrocyte
Intercalated cell
Stromal cell
