E16_WT_2
Cell type
Stromal cell
Descending and ascending thin limb cell
Collecting duct principal cell
Macrophage
Distal tubule cell
Endothelial cell
Proximal tubule cell
Ureteric bud tip cell
Glomerular endothelial cell
Parietal epithelial cell
Distal convoluted tubular cell
Natural killer T cell
Macula densa thick ascending limb cell
Podocyte
Transitional intercalated cell
Erythrocyte
Dendritic cell
S2 proximal tubule cell
