Cell−type proportion by group: analysis_celltype
S2 proximal tubule cell
Dendritic cell
Erythrocyte
Transitional intercalated cell
Podocyte
Macula densa thick ascending limb cell
Natural killer T cell
Distal convoluted tubular cell
Parietal epithelial cell
Glomerular endothelial cell
Ureteric bud tip cell
Proximal tubule cell
Endothelial cell
Distal tubule cell
Macrophage
Collecting duct principal cell
Descending and ascending thin limb cell
Stromal cell
