GO_CC | Fabp1+ ent | A1_Rescue_vs_KO | up in KO | n = 872
transcription regulator complex
apical part of cell
cell−cell junction
apical plasma membrane
RNA polymerase II transcription regulator complex
membrane raft
membrane microdomain
basolateral plasma membrane
cell−substrate junction
apical junction complex
tight junction
adherens junction
plasma membrane raft
bicellular tight junction
sarcolemma
caveola
cell−cell contact zone
intercalated disc
canonical inflammasome complex
apicolateral plasma membrane
