GO_CC | Fabp1+ ent | KO_vs_WT | up in KO | n = 983
apical part of cell
actin cytoskeleton
apical plasma membrane
actin−based cell projection
cluster of actin−based cell projections
ruffle
brush border
peroxisome
microbody
apical junction complex
microvillus
extracellular vesicle
extracellular organelle
extracellular membrane−bounded organelle
actin filament bundle
multivesicular body
phagocytic vesicle membrane
kinetochore microtubule
amphisome membrane
ESCRT III complex
