GO_CC | Global | A1_Het_vs_WT | up in WT | n = 2430
apical part of cell
apical plasma membrane
side of membrane
early endosome
basal part of cell
basal plasma membrane
cell projection membrane
basolateral plasma membrane
transporter complex
transmembrane transporter complex
receptor complex
external side of plasma membrane
cluster of actin−based cell projections
brush border
plasma membrane raft
brush border membrane
microvillus
caveola
microvillus membrane
