GO_BP | Global | KO_vs_WT | up in KO | n = 2357
response to bacterium
response to wounding
leukocyte migration
wound healing
extracellular structure organization
extracellular matrix organization
external encapsulating structure organization
cell killing
regulation of leukocyte migration
myeloid leukocyte migration
humoral immune response
granulocyte migration
neutrophil migration
antimicrobial humoral response
antimicrobial humoral immune response mediated by antimicrobial peptide
disruption of anatomical structure in another organism
killing of cells of another organism
disruption of cell in another organism
response to interferon−beta
cellular response to interferon−beta
