GO_CC | Pre−goblet | A1_Rescue_vs_A1_Het | up in A1_Rescue
mitochondrial inner membrane
mitochondrial matrix
mitochondrial protein−containing complex
transporter complex
transmembrane transporter complex
ribosome
respiratory chain complex
oxidoreductase complex
ribosomal subunit
respiratory chain complex I
organellar ribosome
mitochondrial ribosome
NADH dehydrogenase complex
large ribosomal subunit
inner mitochondrial membrane protein complex
proteasome regulatory particle
proteasome accessory complex
TIM23 mitochondrial import inner membrane translocase complex
