GO_CC | TA | A1_Rescue_vs_KO | up in KO | n = 2254
spindle
cell−cell junction
actin cytoskeleton
cell leading edge
condensed chromosome
chromosome, centromeric region
basal part of cell
condensed chromosome, centromeric region
membrane raft
membrane microdomain
mitotic spindle
external side of plasma membrane
kinetochore
spindle pole
adherens junction
apical junction complex
actin filament bundle
outer kinetochore
spindle midzone
meiotic spindle
